Tool Search: Preschool Enrollment Count

The Preschool Enrollment Count consists of a file containing aggregate information about preschool students in a district. The report can be generated in three variations. Information in the report includes aggregates of students by special education status, at-risk status, over-income, Head Start status, grade and the name of the school.

Preschool Enrollment Count

Generate the Report

1. Select the **Preschool Enrollment Count Period -** Fall or Spring
2. Enter the **Count Date**. This field is auto-populated to the following based on the Count Period selected:
    - Fall - 12/01 of the year selected in the Campus toolbar.
    - Spring - 03/01 of the year selected in the Campus toolbar.
3. Select a **Report Type.**
    - **Validation Report** - Designed to alert districts of preschool data quality issues.
    - **Summary** - Reports an aggregate count of preschool data.
    - **Detail** - Reports student-level preschool data.
4. Select the report **Format**. Use the HTML format (Summary only) for data analysis and the Detail Format (CSV) format when submitting data to the state.
5. Click the **Generate Extract** button to generate the extract immediately or click **Submit to Batch** to schedule when the extract is generated.

State Grade Definition and Due Dates

The state defines grades as follows:

- Grade 97: Students who turn 2 on or before August 1
- Grade 98: Students who turn 3 on or before August 1
- Grade 99: Students who turn 4 on or before August 1

The following describes due dates for submitting the Preschool Enrollment Count to the Kentucky Department of Education:

- Fall Enrollment: December 1st
- Spring Enrollment: March 1st

Fall and Spring Enrollment Count (Summary and Detail) Criteria

- The student must have a P: Primary enrollment record.
- N: Special Ed and S: Partial enrollment records are excluded.
- Enrollments marked as State Exclude are excluded.
- Enrollments within excluded calendars are excluded.
- Enrollments within excluded grade levels are excluded.
- All students must have a preschool record on the Preschool tool and the Start and End dates of the preschool record must overlap the Effective Date entered on the extract editor (December 1 for the Fall Count, March 1 for Spring Count).
- Students must also meet one of the following grade criteria:
    - Grade 97:
        - Fall Enrollment Count: Students who turn 3 years of age from August 2nd through December 1st of the current school year.
        - Spring Enrollment Count: Students who turn 3 years of age from August 2nd through March 1st of the current school year.
    - Grade 98 (3 year olds)
    - Grade 99 (4 year olds)
- The report does not include students with a Preschool Type of Head Start.
- Only one preschool service record reports per primary enrollment. When multiple records exist, the record with the most recent start date reports. When start dates are the same, the record most recently added reports.

Understand the Validation Report

Before Preschool Enrollment Count data is displayed, users may want to investigate warnings and errors. They are reported as follows:

Warning 1: No Preschool Data

The first warning indicates all districts who have no active preschool records within the reporting year. These districts must have at least one preschool grade level (state grade levels 95-99).

There are no errors or warnings in the extract
Error/Warning Table of Contents: (If warning count is 0, there are no warnings to report.)
WA01: Districts without Preschool Data (Number of Records:1)
WA02: Duplicated Preschool Service Records (Number of Records: 0)

WA01: Districts without Preschool Data (Number of Records:1)

DistrictNumber	DistrictName	School(s)
301	Knox County	G R Hampton Elementary School
