The New Jersey High School Proficiency Assessment (HSPA) reports student achievement for students in grades 09-12 for those students who are actively enrolled as of the entered Effective Date on the report editor.

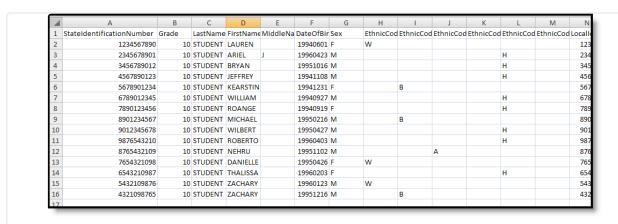

Pre-ID HSPA Editor

Report Editor

Field	Description
Pre ID	Indicates the assessment for which the labels will be generated.
Effective Date	The date reflects the students' active enrollment date. Students not enrolled (enrollment ended) on the entered date are not included in the labels unless the Include Active Students checkbox is marked. Dates are entered in *mmddyy* format or use the calendar icon to select a date.
Grade Level	The grade level of enrollment for which the labels generate.
Ad hoc Filter	If a filter is selected (and not a grade level), labels are generated for students included in the filter.

Field	Description
Format	Determines how the labels will be generated. • State Format (Fixed Width) • CSV • HTML
Include Inactive Students	When selected, inactive students will be included in the extract, regardless of the entered Effective Date.
Exclude Cross-Site Data	Cross-site section enrollment data is **not** included in the report when checked. • Cross-site enrollment functionality must be enabled at the district level for the checkbox to display. • Defaults to checked.
Calendar Selection	Selection indicates the school calendar that will be used when generating the report.

Generate the Pre-ID HSPA Extract

1. Select the **HSPA** option from the **PreID** dropdown list.
2. Enter an **Effective Date** for the report.
3. Select the students to include in the report by selecting **Grade levels** or an **Ad hoc Filter** that includes the students to be reported on the NJ ASK report.
4. Select the **Format** of the extract - **State Format (Fixed Width), CSV** or **HTML**. Use the HTML or CSV format for testing and data review purposes. Use the State Format when submitting the data to the state.
5. Mark the **Include Inactive Students** checkbox to include those students who do not have an active enrollment record.
6. Select the **Calendar** to include in the report. This option defaults to the calendar selected in the Campus toolbar.
