Need more information?

See the following [Pay a Fee](#) section for more detailed information.

How do I find unpaid fees?

Select *Unpaid* in the **Type** dropdown list.

The screenshot shows a web interface for viewing fees. At the top, it says "Fees". Below that, a box displays "Total Due: \$2,875.00". At the bottom, there are two dropdown menus: "School Year" with "2018 - 2019" selected, and "Type" with "Unpaid" selected. The "Type" dropdown is highlighted with a red box.

How do I pay Optional Fees?

Optional fees are fees that are not assigned to you directly. This could be things like parking stickers, donations to the school, school supplies, etc. Optional Fees are paid using the Optional Payments tool. See the [Optional Payments](#) article for more information.

How do I find fees I already paid?

Select *Paid* in the **Type** dropdown list.

The screenshot shows a summary of fees with a total due of \$2,875.00. Below this, there are two dropdown menus: 'School Year' set to '2018 - 2019' and 'Type' set to 'Paid'. The 'Type' dropdown menu is highlighted with a red rectangular box.

Fees that are partially paid do not display when **Paid** is selected. Instead, select **Unpaid** and click the arrow next to the partially paid Fee to see the paid amount.

The [Payment History](#) tool is a good place to review all payments you have made including payments for Fees.
