

# Academic Programs

Last Modified on 06/30/2025 10:49 am CDT

In the Campus.2523 release, the **Academic Programs** and **Graduation Programs** tools were combined into a single tool.

► [Click here to expand...](#)

The screenshot shows the 'Academic and Graduation Programs' interface. At the top, there is a breadcrumb trail: 'Student Information > Program Administration > Academic and Graduation Programs'. Below this, there is a 'Filter' button on the left and a toggle switch between 'Graduation' and 'Academic' on the right. A red arrow points to the 'Filter' button with the text 'Use the Filter button to narrow the list of displayed Programs'. Another red arrow points to the 'Graduation' button with the text 'Toggle between Graduation and Academic Programs'. The main content area is titled 'Graduation Programs' and shows 'Showing 6 out of 6 Programs'. It lists several programs: 'Elementary', 'Honors', 'HS Graduation', 'Middle', '2023 Graduation Program', and '2024 Graduation Program'. Each program has a status indicator (ACTIVE or INACTIVE) and a right arrow. A red arrow points to the 'New' button at the bottom left with the text 'Select this button to create a new Academic or Graduation Program'.

Both types of programs can now be created and managed with the new tool, found at **Student Information > Program Administration > Academic and Graduation Programs**.

Consult the articles in the [Academic and Graduation Programs](#) category for more information.

Academic Programs show a student's progress towards completion of that program, including specific course requirements and any assessments or certificates that need to be taken in order to complete that program.

Users can view Academic Programs for all schools in the district by marking the **Show District Programs** checkbox. To view programs available at a specific school, select the school in the Campus toolbar and leave the **Show District Programs** checkbox unselected.

**NOTE:** Academic Programs are not available in every state.

The following topics are available:

- [Create Academic Programs](#)
- [Enter Course Requirements for Academic Programs](#)
- [Establish Test Requirements for Academic Programs](#)
- [Enter Compound Requirements for Academic Programs](#)
- [Set GPA Requirements for Academic Programs](#)
- [Establish Certification Criteria](#)

- [Create Course Plan Templates for Academic Programs](#)
