- A red box around the 'Graduation' and 'Academic' toggle buttons with an arrow pointing to the 'Graduation' button and the text: 'Toggle between Graduation and Academic Programs'.
- A red box around the 'New' button with an arrow pointing to it and the text: 'Select this button to create a new Academic or Graduation Program'.

The interface displays a list of programs under the 'Graduation Programs' tab, showing 6 out of 6 programs. The list includes:

- Elementary | Graduation | Elementaryentary (ACTIVE)
- Honors | Graduation | High School Credit (ACTIVE)
- HS Graduation | Graduation | High School Credit (ACTIVE)
- Middle | Graduation | Middle School (ACTIVE)
- 2023 Graduation Program | Graduation | High School Credit (INACTIVE)
- 2024 Graduation Program | Graduation | High School Credit (INACTIVE)

Both types of programs can now be created and managed with the new tool, found at **Student Information > Program Administration > Academic and Graduation Programs**.

Consult the articles in the [Academic and Graduation Programs](#) category for more information.

Academic Programs show a student's progress towards completion of that program, including specific course requirements and any assessments or certificates that need to be taken in order to complete that program.

Users can view Academic Programs for all schools in the district by marking the **Show District Programs** checkbox. To view programs available at a specific school, select the school in the Campus toolbar and leave the **Show District Programs** checkbox unselected.

NOTE: Academic Programs are not available in every state.
