Missing Transcript Records Editor

Report Logic

Courses that have the following are found:

- Assessments aligned to a course that have an Assessment Type of VC or VS and a Credit Name with a State Code of VC.
- A grading task that posts to the student's transcript..
- The Transcript checkbox on the Course editor is marked.

Report Editor

The following fields are available for selection.

Field	Description
-------	-------------

Field	Description
Report	Selection determines which report generates. In this instance, select Missing Transcript Records .
Effective Date	Students who are enrolled as of the entered date in the selected calendar report. This date defaults to the current date. Enter a new date in <i>mmddyy</i> format or use the calendar icon to choose a new date.
Format	The Missing Transcript Records Report can be generated in Comma Separated (CSV) or HTML.
Select Calendars	At least one calendar needs to be selected in order to generate the report. Calendars can be selected by active year, by school or by year.
Report Generation	Click the Generate Extract button to display results of the report immediately. Use the Submit to Batch button to choose when the report should generate (best for large selections of students). See the Batch Queue article for more information.

Report Generation

1. Select the **Missing Transcript Records** option from the Report dropdown list.
2. Enter the **Effective Date** as desired.
3. Select the desired **Format** of the report.
4. Select the desired **Calendars** for the report.
5. Click the **Generate Extract** button or **Submit to Batch** button, as desired.

Report Layout
