Tool Search: Assignment Overview

The Assignment Overview provides a list of all assignments in a section, grouped by Standard/Task and Category.

To view assignments, select a **Term** and then a **Section** in that term at the top of the tool.

The screenshot shows the Infinite Campus interface for the Assignment Overview tool. At the top, there is a green header with the Infinite Campus logo, the school name "20-21 Harrison High", and icons for notifications, help, and user profile. Below the header, there are dropdown menus for "Term" (3 (12/28/20 - 03/26/21)) and "Section" (2) 1800-4 Pre-Calculus A. A "Filter" button is located below these menus. The main content area is a table with four columns: Term, Standard/Task, Category, and Assignment. The table shows data for Term 3, Standard/Task Term Grade, and Category Homework. The Homework category lists 13 assignments with their respective page numbers and standards. The Tests category lists two assignments: C7T: Chapter 7 Test and C8T: Chapter 8 Test.
