Tool Search: Precode Extract

The STAAR Alternate 2 Precode Extract assesses students with significant cognitive disabilities who have met established participation requirements. Eligible students include those receiving special education services in grades 3 through high school who have the most significant cognitive disabilities and who are unable to participate in the other statewide assessments, even with substantial accommodations and/or modifications.

**Texas Precode Extracts**

This tool will extract data to complete the Texas Precode Extracts. Use the 4-character Administration Date code supplied by the Precode vendor. Choose the State Format to get the file in the state defined file format, otherwise choose one of the other formats.

For the STAAR ALT and End of Course Precode, select the State Code(s) from the drop list for the desired course(s). All students who are scheduled into a course with a selected State Code on the Effective Date will report.

- Reports all students who are actively enrolled and have an active, locked IEP on the Effective Date and in the Grade Level(s) selected in the extract editor.
- Reports all students in grade levels 9 and above with active, locked IEPs as of the Effective Date and are scheduled into a course with the selected State Code. Students in a calendar

with a multi-day schedule report if the appropriate course is scheduled into the same term as the Effective Date but does not meet on the Effective Date.

- Records report for each appropriate course.
- If a student has one active enrollment on the Effective Date and has a Service Type of *N: Special Ed Services* **OR** *S: Partial*, that enrollment reports.
  - If more than one active enrollment exists for a student, only the P: Primary enrollment reports.
- Students, Grade Levels, or Calendars marked State Exclude do not appear in the report.
- Students with no State ID or who are marked as No Show do not report.
- Courses with the State Report Exclude option selected on the Courses tab (Scheduling > Courses > Course) do NOT report.
- Any missing or inapplicable data reports as spaces/blanks.
