Surplus Mode Report Editor

The following options are available on the Surplus Mode Report Editor.

Field	Description
Calendar Selection	Calendar Options are dependent on the Year and School selected in the Campus Toolbar. If a school is selected, only calendars for that school will appear in the Select Calendars list. If a school is not selected in a school bar, calendars from all schools will display for selection. Calendars are listed in descending year order.
Student Selection	When selecting the Students for which the audit report should be run, users can select a previously created Ad hoc Filter (created in the Ad hoc Reporting Filter Designer) or a specific Grade level. Available grade levels are based on the school selected in the Campus toolbar.
