Tool Search: Test Accommodations Report AZ

The **Test Accommodations Report** lists special accommodations and modifications provided for students receiving Special Education services, such as more time or more breaks, to complete tests.

The screenshot shows the 'Test Accommodations Report (AZ)' interface. At the top, there is a breadcrumb trail: 'Student Information > Reports > Test Accommodations Report (AZ)'. Below this is a header bar with the title 'Test Accommodations Report' and a star icon. A descriptive text box states: 'The Test Accommodations Report lists special accommodations and modifications for Special Ed student, such as more time, or more breaks.' The main form area includes a section for 'Plan's Date Range (Required fields)' with fields for '\*Start Date:' and '\*End Date:' (set to 01/04/2024). Below this is a section titled 'Which students would you like to include in the report? (CTRL-click or SHIFT-click to select multiple)' with a dropdown menu labeled 'Student Name(#Student Number)-Grade' and a list box showing 'All students'. There is also a 'Sort By' dropdown set to 'Student Name' and a checkbox for 'Print in HTML format'. A 'Generate Report' button is at the bottom.
