A second notice must be delivered to unresponsive households in which eligibilities are changing. This notification can be delivered via phone or generated and sent through the **2nd Pre-Notice Letter** print icon. If the notification is delivered via phone instead of a letter, you may enter a date in the Second Contact Date field for reference purposes; otherwise, it is automatically populated when the **2nd Pre-Notice Letter** is generated.

Modify the **Due Date** field on the [Verification Preferences](#) to indicate the date by which the requested verification materials should be returned to the district. This date is inserted in the second (date) field of the Pre-Notice letter. Allow for return and processing time before the November 15 deadline.

1. Verify the verification for which the 2nd Pre-Notice letter should be printed is selected.
2. Click the print button for the **2nd Pre-Notice** letter in the action bar.

Result

The letter is generated for households that have not been verified yet.
