Generate the Extract | Extract Layout

Tool Search: SASID Request

The SASID Request Extract reports all students who do not have an SASID on the Effective Date chosen in the extract editor.

SASID Request Report Editor

Generate the Extract

1. Enter an **Effective Date** by selecting the calendar icon and choosing a date or by manually inputting the date.
2. Select a **Format**. Options include CSV (Default Format) or HTML.
3. Choose a **Calendar**.
4. Click the **Generate Extract** button. The report displays in the selected format.

SASID Request Extract Example - CSV (Default Format)

SASID Request Extract Example - HTML Format

Extract Layout
