Tool Search: Course Plan Administration

This mode unlocks courses in the student's [Course Plan](#) for the selected calendar for the grade level in which the student is currently enrolled. When courses on a course plan are not locked, students have the ability to make changes using the [Academic Planner](#) tool in the Portal.

Plans that are locked can only be modified by a counselor.

Course Plan Administration

This tool is used to perform batch operations on multi-year student course plans and can mass add/remove/replace courses, calculate Graduation and Academic program on-track status, lock/unlock course plans, post diplomas to the graduation record and post the planned courses to Course Requests for scheduling.

Select Mode

Unlock course plans

The courses selected in the students' course plan will be unlocked in the currently selected calendar for the current grade the student will be enrolled in. Locked course plans can only be altered by a counselor. Future years will remain unlocked.
