Tool Search: Enrollments

The Enrollments tool displays all current and historical occurrences of a student's enrollment in a district.

This information is current as of the Campus.2527 (July 2025) release.

Enrollment records are listed first by grade level then by enrollment start date. To reorder the list of enrollments, click the blue hyper-linked headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date or End Date.

The screenshot shows the 'Enrollments' tool interface. At the top, there is a header with a user icon, the title 'Enrollments', and a star icon. Below the header, the student information is displayed: 'Student, Zephyr' with a person icon, 'Student #: 123456789', 'Grade: 11', and 'DOB: 07/26/2006'. There are buttons for 'Save' (blue), 'Delete' (red), 'New' (grey), 'Print Enrollment History' (grey), and 'New Enrollment History' (grey). A 'Related Tools' button is also present. The main content area is titled 'General Enrollment Information' and contains the following fields:
