Student Restraint Event Interchange (TSDS) (Texas)

Last Modified on 03/03/2026 12:55 pm CST

[Report Logic](#) | [Report Editor](#) | [XML Elements](#)

The Student Restraint Event captures data for all student restraints administered by school district police officers and school resource officers working with a LEA under a local MOU as well as special education students who are restrained by school employees. The Student Restraint Event is collected in Submission 3 - Summer only.

TSDS Extract Editor/Student Restraint Event Interchange

Report Logic

- The Student Restraint Event Interchange represents data for the restraints of all students that are administered by school district police officers and school resource officers working with an LEA under a local MOU and special education students who are restrained by LEA employees and volunteers.
- Students who meet the following criteria will NOT be included in the report:
  - Students with no State ID.
  - Students marked as State Exclude, are in a grade level marked State Exclude or enrolled in a calendar marked State Exclude.
  - Students with an ADA Eligibility = 0 or blank on all ADA records tied to the reporting enrollment.
  - Student restraint events that are performed by law enforcement personnel who are not employed by a LEA police department or who are not serving as an SRO under a MOU with an LEA.

Report Editor

Field	Description
Submission	3 - Summer
Interchanges	Interchanges are XML Schema Definitions (XSDs) which group related complex types. Select **Student Discipline**.
Effective Date	Only data as of this date reports. Default value is today's date.
Status	- Regular - Resubmission - Working Collection
Report Type	XML

Field	Description
Filter By	This field allows you to narrow the report results to specific Calendars, Calendar Years (District), or Schools.
	Option / **Description**
	Calendar — This option allows you to select the specific calendar(s) to include in the report.
	District — This option allows you to select the specific Calendar Year to include in the report.
	School — This option allows you to select the specific school(s) to include in the report.
Population	This option allows you to limit report results to Unique IDs. The Unique ID option only considers students with a Unique ID. The *All* option considers all students.
Ad Hoc Filter	Select an Ad Hoc filter to limit report results to those that meet filter requirements.
Report Generation	The report can be marked to generate immediately using the **Generate Extract** button or can be marked to generate at a later time using the **Submit to Batch** button. See the Batch Queue article for additional guidance.

Element	Description	Location
Restraint Event Identifier *Required*	Reports the Event ID of the behavior incident. **Submission:** 3 *Numeric, 6 digits*	Behavior > Behavior Management/Referral > Add Event/Participant > Even and Participant Details > Event Details > Event ID BehaviorEvent.eventID
EventDate *Required*	Date the restraint event occurred. **Submission:** 3 *Coded, 10 characters*	Behavior > Behavior Management/Referral > Incident Date BehaviorIncident.date
StudentReference		
Student Identity > StudentUniqueStateId *Required*	The reporting student's unique Student ID. Students with no Texas-unique Student ID are not reported. **Submission:** 3 *Numeric, 10 digits*	Census > People > Demographics > Student Unique State ID Student.stateID
SchoolReference		

Element	Description	Location
EducationalOrgIdentity > StateOrganizationId *Required*	The District Number (6 digits) + State School Number (3 digits) of the school tied to the behavior incident. **Submission:** 3 *Coded, 9 characters*	System Administration > Resources > District Information > State District Number System Administration > Resources > School > School Detail > State School Number District.number School.number
TX-Primary Restraint Reason *Required*	Indicates the Restraint Reason of the restraint event. **Submission:** 3 *Coded, 2 characters*	Behavior > Behavior Management > Incident Details > (Add Behavior Response) > Add Response > Restraint Reason BehaviorResponse.restraintReason
TX-ReportingPeriod *Required*	The Reporting Period that contains the restraint event. **Submission:** 3 *Coded, 2 characters*	Calculated
TX-RestraintStaff *Required*	Indicates what type of staff member restrained the student during the Restraint Event. Restraint Events where Restraint Staff Type = 01 do not report unless the Special Ed field below reports 1. **Submission:** 3 *Coded, 2 characters*	Behavior > Behavior Management > Incident Details > (Add Behavior Response) > Add Response > Restraint Staff Type BehaviorResponse.restraintStaffType

Element	Description	Location
TX-SpecialEducation *Required*	Students who have an active locked IEP that overlaps the behavior incident date AND contains a Primary Disability that is also active on the behavior incident date report a value of **1**. Otherwise, **0** reports. If a student has multiple, qualified overlapping Special Ed records when the restraint event occurred will report all of them as long as their disability codes or instructional codes are different from one another. **Submission:** 3 *Coded, 1 character*	Student Information > Special Ed > Documents > Plan Outline txIEP > Education Plan Calculated
