Report Logic

▶ Click here to expand...

- The Student extract reports ONLY one record per student that is actively enrolled in at least one calendar during the reporting range.

  - When the Submission Schedule is Open Yr Round, the student must be active on the selected Snapshot Date to report.

- The Student Snapshot extract reports ONLY one record per student that is actively enrolled in at least one calendar on the Standardized Reporting Date.
- Data reports from the student's Primary enrollment in the date range. Infinite Campus recommends districts mark only one calendar enrollment per student as Primary.

  - STUDENT - Reports from the enrollment that is active on the Submission End Date or Enrollment > End Date. Whichever date comes first.
  - STUD_SNAPSHOT - Reports from the student's Primary enrollment that is active on the Standardized Reporting Date.

- Data reports from the Identity record that is active on the Submission End Date or Enrollment > End Date whichever comes first.

  - If the Submission Schedule is **Open Yr Round**, data reports from the Identity record that is active on the date selected on the extract editor.

- To report, student/s MUST be in a grade level mapped to a State Grade Level Code.

  - STUDENT: 2U, PK, KN, KF, 01, 02, 03, 04, 05, 06, 07, 08, 09, 10, 11, 12, OS (Home schooled (OS) report in this extract.)
  - STUD_SNAPSHOT: 2U, PK, KN, KF, 01, 02, 03, 04, 05, 06, 07, 08, 09, 10, 11, 12 to report. (Home schooled (OS) do NOT report in this extract.)
  - To report in the K5P submission, students must be in a grade level mapped to one of the following State Grade Level Codes: KN, KF, 01, 02, 03, 03, 04, or 05.

- Students are NOT included if:

  - their enrollment record is marked as State Exclude or No Show;
  - their Grade Level of enrollment is marked as State Exclude; or
  - their Calendar of enrollment is marked as State Exclude.

Field	Description
Extract Type	A dropdown list of all available extracts. • STUDENT • STUD_SNAPSHOT
Submission Schedule	A dropdown list of submission schedules. • 40D • 80D • 120D • EOY • Accountability • Summer • K5P • Open Yr Round

Field	Description
Standardized Reporting Date	*STUD_SNAPSHOT Only* The reporting date of the collection.
Snapshot Date	*STUDENT Only* The reporting date of the collection. This field only displays when the Submission Schedule is **Open Yr Round**.
Submission Start Date Submission End Date	*STUDENT Only* The first day and the last day of the reporting range.
Grade	The Grade field allows you to limit report results to students in the selected mapped state grade(s).
Ad Hoc Filter	Ad Hoc Filters allow you to limit report results to those included in the filter. This option is useful for troubleshooting. For example, you could filter report results to specific students.
Format	The format in which the report will generate. Options include HTML and State Format (CSV).
Select Calendars	The calendar(s) from which data is pulled for the report.
Generate Extract/ Submit to Batch	The report can be marked to generate immediately using the **Generate Extract** button or can be marked to generate at a later time using the **Submit to Batch** button. See the Batch Queue article for additional guidance.

#	Element	Logic	Campus Location
192	**Guardian Email Address**	The guardian phone number linked to the student's record through the Relationships tool (Census > People > Relationships > Guardian). Reports the guardians email address if the Student Special Ed field 38 is Y. Otherwise, reports blank. If a student is an unaccompanied youth or an emancipated youth, the guardian daytime phone reports as the student's. Campus considers guardians in the student's primary household first. If multiple guardians are found in the student's primary household, then the person with the lowest person ID reports. If there isn't a guardian in their primary household, the guardian with the lowest personID in the secondary household reports; otherwise, the guardian with the lowest personID that has a relationship with the student reports.
