[Individual Education Plan Editors](#) | [Enrollment Editor Data Elements](#) | [Measurable Annual Goals Data Elements](#)

**Classic View:** Student Information > Special Ed > General > Documents

**Search Terms:** Special Ed Documents

The editors available on the Individual Education Plan provide all required information by the State of Ohio. Editors and fields are listed below. Included here are instructions on entering data into Campus and references to state-defined guidelines.

The current format of this document is the **OH IEP 2019.2 Format**. Plan formats are selected in [Plan Types](#).

Ohio IEP Editors

Ohio users have the option to print a single editor using the **Print Editor** button in the action bar. This button will generate a PDF of the portion of the IEP that includes information entered in the editor being viewed.

# Individual Education Plan Editors

The following table lists the editors available on the student's Individual Education Plan, the section(s) of the print format that include the entered information, a description of what the editor is used for, and any special considerations and instructions for using the editor.

Fields that are included in any [state reporting](#) extract are required.

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Education Plan</b>	Meeting Information, IEP Time Lines, Child's Information, Other Information	The Education Plan editor provides student summary information and lists the dates of the plan meetings.	<p>This editor must be saved with the required fields before continuing to other areas of the plan.</p> <p>Start Date will auto-populate to match Meeting Date. End Date and Next IEP Review Date will auto-populate to be one year minus one day from the Start Date. Date of Last ETR will auto-populate based on the Date of the most recent, locked ETR.</p> <p><a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon next to the header of the appropriate sections.</p>

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Enrollment Status</b>	N/A	The Enrollment Editor provides a snapshot of the student's enrollment data when the plan is generated.	<p>Clicking <b>Get Special Ed Status from Enrollment</b> will synchronize the information in the editor with the most recent information from the student's <a href="#">Enrollments</a> tool. District and School information does not populate automatically. When the plan is marked as Complete and is locked, Special Ed Status values will be updated in the enrollment based on the values selected in this editor.</p> <p>When establishing the <a href="#">Plan Type</a> in System Administration, three Enrollment editors are available. Users should chose the editor that best meets their needs. The above logic describes the third editor, which is the most commonly used.</p> <p>See the following <a href="#">Enrollment Editor Data Elements</a> section for a description of these fields.</p>
<b>Student Demographics</b>	Child's Information	The Student Demographics editor populates basic information about the student such as demographic information and student and school address.	Clicking <b>Refresh Student Information</b> will synchronize the information in the editor with the most recent information about the student, from the <a href="#">Demographics</a> , <a href="#">Households</a> , <a href="#">Enrollments</a> and <a href="#">School</a> tools.

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Parent/Guardian Demographics</b>	Parent's/Guardian Information	<p>The Parent/Guardian Demographics Editor populates based on established student/guardian relationships created on the student's <a href="#">Relationships</a> tool or indicated by the guardian checkbox on the <a href="#">Households</a> tool. The editor includes <a href="#">Demographics</a> information for the student's guardian.</p>	<p>Clicking <b>Refresh Guardian Information</b> will synchronize information in the editor with the most recent information from the student's guardian's <a href="#">Demographics</a> and <a href="#">Households</a> tools.</p>
<b>Future Planning</b>	1) Future Planning	<p>The Future Planning Editor is a text entry editor that provides educators the opportunity to engage the student and family in planning for the student's future. This editor is used to document thoughts, ideas, plans, visions and processes that are discussed and identified to help the student transition to adult life.</p>	<p>Conversations and discussion about the future can be ongoing and occur outside of the context of formal meetings.</p>

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Special Factors</b>	2) Special Instructional Factors	The Special Factors editor includes information about the student that may impede the student's learning and progress toward achievement of education goals.	This editor contains a series of questions the Case Manager or other designated team member should answer by selecting Yes or No. A selection must be made for each question. If a selection is not made, a warning message will appear upon saving this editor indicating a required entry is needed.
<b>Profile</b>	3) Profile	The Profile editor describes the student in detail. This editor can be used to describe the student's education success, hobbies, and a description of why the student is on a Special Education Plan.	N/A
<b>Extended School Year Services</b>	4) Extended School Year Services	The Extended School Year editor indicates if the student requires services beyond the standard school time, such as beyond school hours or during breaks.	N/A

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Postsecondary Transition Services</b>	5) Postsecondary Transition	The Transition Services editor is designed to track activities and goals for the student's academic and functional achievement to facilitate the movement from school to post-school activities, including post-secondary education, vocational education, employment, adult services, independent living and community participation.	Federal and state guidelines for entering these goals are available on the Ohio Special Education Transition Services website.  <a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon next to the header of the appropriate sections.
<b>Measurable Annual Standards</b>	6) Measurable Annual Goals	The Measurable Annual Standards editor describes what a student is expected to accomplish in one year in the identified area of need and the method(s) used to determine a child's progress towards the child's measurable annual goal.	See the following <a href="#">Measurable Annual Goals Data Elements</a> section for a description of these field. <a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon next the header of the summary section.
<b>Measurable Annual Goals</b>	6) Measurable Annual Goals	The Measurable Annual Goals editor describes what a student is expected to accomplish in one year in the identified area of need.	See the following <a href="#">Measurable Annual Goals Data Elements</a> section for a description of these field. <a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon next the header of the summary section.

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Specially Designed Instruction</b>	7) Description(s) of Specially Designed Services: Specially Designed Instruction section	The Specially Designed Instruction editor identifies accommodations or modifications needed for the student to access and progress in the general education curriculum.	<p>Only active <a href="#">Services</a> with a Type of <i>Normal Services</i> can be included in this editor. <a href="#">Services</a>, <a href="#">Service Providers</a> and <a href="#">Service Positions</a> are established in System Administration. Frequency options populate from the <a href="#">Attribute Dictionary</a>.</p> <p>Since services are usually unique to each student, it is recommended that a Service Description is entered.</p>
<b>Related Services</b>	7) Description(s) of Specially Designed Services: Related Services section	The Related Services editor identifies developmental, corrective, and other supportive services that are required to assist a child who has a disability to benefit from special education. This includes speech-language pathology and audiology services, in addition to other services that may be available.	<p>Only active <a href="#">Services</a> with a Type of <i>Related</i> can be included in this editor. <a href="#">Services</a>, <a href="#">Service Providers</a> and <a href="#">Service Positions</a> are established in System Administration. Frequency options populate from the <a href="#">Attribute Dictionary</a>.</p> <p>The # of Sessions field will auto-populate to 1, but only values of 2 or greater will be included in the printed IEP.</p> <p>Since services are usually unique to each student, it is recommended that a Service Description is entered.</p>

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Assistive Technology</b>	7) Description(s) of Specially Designed Services: Assistive Technology section	Identifies assistive technology provided to the student, such as hearing amplification or braille readers.	<p>Only active <a href="#">Services</a> with a Type of <i>Assistive</i> can be included in this editor. <a href="#">Services</a>, <a href="#">Service Providers</a>, and <a href="#">Service Positions</a> are established in System Administration. Frequency options populate from the <a href="#">Attribute Dictionary</a>.</p> <p>Since services are usually unique to each student, it is recommended that a Service Description is entered.</p>
<b>Accommodations</b>	7) Description(s) of Specially Designed Services: Accommodations section	The Accommodations Editor identifies the changes made in the way materials are presented or in the way children demonstrate learning.	<p>Only active <a href="#">Services</a> with a Type of <i>Accommodation</i> can be included in this editor. <a href="#">Services</a>, <a href="#">Service Providers</a> and <a href="#">Service Positions</a> are established in System Administration. Frequency options populate from the <a href="#">Attribute Dictionary</a>.</p> <p>Since services are usually unique to each student, it is recommended that a Service Description is entered.</p>

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Modifications</b>	7) Description(s) of Specially Designed Services: Modifications section	Modifications of the curriculum will result in the child taught different curriculum or taught the same curriculum but with the complexity of the material significantly altered from that of the child’s age and grade level peers. The Modifications editor tracks these changes.	<p>Only active <a href="#">Services</a> with a Type of <i>Modification</i> can be included in this editor. <a href="#">Services</a>, <a href="#">Service Providers</a> and <a href="#">Service Positions</a> are established in System Administration. Frequency options populate from the <a href="#">Attribute Dictionary</a>.</p> <p>Since services are usually unique to each student, it is recommended that a Service Description is entered.</p>
<b>Support for School Personnel</b>	7) Description(s) of Specially Designed Services: Support for School Personnel section	The Support for School Personnel editor provides an opportunity for the team to discuss and articulate those specific supports or training necessary for school personnel to provide a free appropriate public education to the student.	<p>Only active <a href="#">Services</a> with a Type of <i>Support</i> can be included in this editor. <a href="#">Services</a>, <a href="#">Service Providers</a> and <a href="#">Service Positions</a> are established in System Administration. Frequency options populate from the <a href="#">Attribute Dictionary</a>.</p> <p>Since services are usually unique to each student, it is recommended that a Service Description is entered.</p>

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Service(s) to Support Medical Needs</b>	7) Description(s) of Specially Designed Services: Service(s) to Support Medical Needs	The Service(s) to Support Medical Needs editor lists the services a student receives that allow him/her to receive an education. These services can include medication that is dispensed during a school day or other medical services that are required for the student and performed by school personnel.	<p>Only active <a href="#">Services</a> with a Type of <i>Medical</i> can be included in this editor. <a href="#">Services</a>, <a href="#">Service Providers</a> and <a href="#">Service Positions</a> are established in System Administration. Frequency options populate from the <a href="#">Attribute Dictionary</a>.</p> <p>Since services are usually unique to each student, it is recommended that a Service Description is entered.</p>
<b>Transportation as a Related Service</b>	8) Transportation as a Related Service	The Transportation as a Related Service editor indicates specialized equipment or personnel needed to transport the child safely. This may include fitting and/or retrofitting vehicles with specialized equipment such as car seats, securement systems and harnesses.	N/A
<b>Nonacademic and Extracurricular Activities</b>	9) Nonacademic and Extracurricular Activities	The Nonacademic and Extracurricular Activities editor provides text fields for recording a student's opportunity for participating in outside activities. These include counseling services, athletics, transportation, health services, etc.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon next the header of the appropriate sections.

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>General Factors</b>	10) General Factors	The General Factors editor reviews the IEP team's consideration of the student's strengths, parental concerns for education, student's most recent evaluations and other needs of the child.	N/A
<b>Least Restrictive Environment</b>	11) Least Restrictive Environment	The Least Restrictive Environment editor records information related to the student's school environment and interaction with non-disabled peers.	N/A
<b>Statewide and Districtwide Testing</b>	12) Statewide and Districtwide Testing	The Statewide and Districtwide Testing editor reviews the IEP team's decision on how the student will be tested to meet state guidelines. Details of accommodations and how the student will be assessed are required.	<a href="#">Template Banks</a> are established in System Administration and available by clicking the white paper icon next to the header of the appropriate sections.

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Exemptions</b>	13) Exemptions	The Exemptions editor identifies if the child is exempt from taking the reading diagnostic assessment associated with the Third Grade Reading Guarantee, excused from consequences of not passing required graduation tests, or excused from taking other assessments, and the justifications for the listed exemptions.	<p>If "Applicable" is marked under Graduation Tests, the "Is the child excused from the consequences of not passing required graduation tests?" question becomes required. If "Yes" is marked for the "Is the child excused from the consequences of not passing required graduation tests?" question, the Category, Course Title, and Justification text boxes become required.</p> <p>If "N/A" is marked under Graduation Tests, no further action is required. If "No" is selected for the "Is the child excused from the consequences of not passing required graduation tests?" question, no further action is required. These fields are grayed out and no values can be entered.</p>
<b>Meeting Participants</b>	14) Meeting Participants	The Meeting Participants editor lists who was in attendance at the last team meeting where decisions were made concerning the student's education plan.	Team members must be added in the <a href="#">Team Members</a> tool before entering participants.
<b>Signatures</b>	15) Signatures	The Signatures editor records agreements from the parent/guardian, the school personnel, and the student on the information contained in the IEP.	N/A

Editor Name	Printed Document Section	Description	Special Considerations and Instructions
<b>Children with Visual Impairments</b>	16) Children With Visual Impairments	The Children with Visual Impairments editor provides a form for identifying the reading and writing media considered in delivering instruction when appropriate to meet the educational needs of the child.	A copy of this completed form is part of, and must be attached to, the child's IEP form.
<b>Form Status Checklist</b>	N/A	The Form Status Checklist Editor provides a checklist of the plan sections that can be marked once those sections are complete.	N/A

## Enrollment Editor Data Elements

The following fields appear on the IEP Enrollment Editor.

Field	Definition
<b>State ID</b>	Identification number assigned to the student by the state Department of Education (different than the Student ID, which is assigned by the district).
<b>Primary and Secondary Disabilities</b>	Student's designated disability as determined by the school district and associated team members. See the list of available <a href="#">Disabilities</a> following this table.
<b>Special Education Status</b>	Student's Special Education Status. The following options are available: <ul style="list-style-type: none"> <li>• IEDP: IEP Resulted in Due Process</li> <li>• IENS: IEP Complete - Not Served</li> <li>• IEPR: IEP Complete - Parental Refusal</li> <li>• N: No</li> <li>• Y: Receiving Services</li> </ul>
<b>Special Education Setting</b>	Indicates the student's major least restrictive environment instructional setting. See the list of available <a href="#">Settings</a> following this table.

Field	Definition
<b>Resident District</b>	Indicates the School District in which the student resides, but not necessarily in which the student attends school.
<b>Home Primary Language</b>	Indicates the language most often spoken at home.

## Primary and Secondary Disabilities

Code	Description
**	Not Applicable
<b>01</b>	Multiple Disabilities (other than Deaf-Blind)
<b>02</b>	Deaf-Blindness
<b>03</b>	Deafness (Hearing Impairments)
<b>04</b>	Visual Impairments
<b>05</b>	Speech and Language Impairments
<b>06</b>	Orthopedic Impairments
<b>08</b>	Emotional Disturbance (SBH)
<b>09</b>	Cognitive Disabilities
<b>10</b>	Specific Learning Disabilities
<b>12</b>	Autism
<b>13</b>	Traumatic Brain Injury (TBI)
<b>14</b>	Other Health Impaired (Major)
<b>15</b>	Other Health Impaired (Minor)
<b>16</b>	Developmental Delay

## Special Education Settings

Code	Description
<b>IE13</b>	Special Education outside regular class less than 21% of day
<b>IE14</b>	Special Education outside regular class 21% to 60% of day
<b>IE15</b>	Special Education outside regular class more than 60% of day
<b>IE16</b>	Public Separate School

Code	Description
IE17	Private Separate School
IE18	Public Residential Facility
IE19	Private Residential Facility
IE20	Homebound/Hospital
IE38	Student disability in approved non-public IEP school
IE39	Disabled student education paid by private resident
IE50	Regular Early Childhood Program at least 80% of time
IE51	Regular Early Childhood Program 10 or more hours/week, most in EC Program
IE53	Regular Early Childhood Program less than 10 hours per week, most in Early Childhood Program
IE54	Regular Early Childhood Program less than 40%
IE55	Regular Early Childhood Program 10 or more hours per week, not in Early Childhood Program
IE56	Regular Early Childhood Program less than 10 hours per week, not in Early Childhood Program
IE60	Pre-school - Special Education - Separate Class
IE62	Pre-school - Special Education - Separate School
IE64	Preschool - Special Education - Residential Facility
IE70	Preschool - Home
IE72	Preschool - Service Provider Location

## Measurable Annual Goals Data Elements

Data Elements	Description
Area	Entry is related to student's participation and achievement in the goal.
<b>Present Level of Academic Achievement and Functional Performance</b>	Describes the individual strengths and needs of the student in relation to accessing and mastering general curriculum. This section should provide details on what the student is missing from academic instruction and aid in developing goals the student can achieve.

Data Elements	Description
<b>Measurable Annual Goal</b>	<p>Describes the goal the student should achieve based on grade-level standards. The following should be considered:</p> <ul style="list-style-type: none"> <li>• Student's present level of performance</li> <li>• Timeframe</li> <li>• Conditions of goal</li> <li>• Measurement of goal</li> </ul>
<b>Methods for Measuring Child's Progress Towards Annual Goal</b>	<p>A letter represents the method for measurement. A text field is available for entering the related method letter. See the Methods for <a href="#">Measuring Progress</a> table for a list of options.</p>
<b>Method for Reporting the Child's Progress to Parents</b>	<p>Selection indicates the method(s) and frequency of updates being given for reporting student progress. Select all methods that may apply. Designate an interval of time for these methods. Options are:</p> <ul style="list-style-type: none"> <li>• Written Report</li> <li>• Email</li> <li>• Phone Call</li> <li>• Journal Entry</li> <li>• The child's progress will be reported to the child's parents each time report cards are issued.</li> <li>• Other</li> </ul>
