Tool Search: Foster Care

The Foster Care tool indicates whether a student is in Foster Care. A start and end date is associated with each instance of a Foster Care record. These records are not tied to student enrollments or calendars.

The state of California no longer collects Foster Care data. Districts may use the Foster Care module to track Foster Care data if desired.

> See the core Foster Care article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Foster Care records.
