CTE Student Industry Credential Editor

Report Logic

- Reports one record per reportable student's reportable CTE certification.
- To report, the student must be actively enrolled in at least one of the selected calendars

on/between the earliest calendar Start Date and the Standardized Reporting Date represented by the Submission Schedule selected on the extract editor.

- The CTE Program must meet the following requirements to report.
 - The Certification Date must be prior to the Standardized Reporting Date represented by the Submission Schedule selected on the extract editor.
 - Certification Date must fall on or after the earliest selected calendar's Start Date.
 - *Passed* must be selected on the Certification of Record.

Report Editor

Field	Description
Submission Schedule	The Submission Schedule for which data is being submitted to the state.
Which students would you like to include in the report?	<p>This option allows you to narrow your search results by using one of the following options.</p> <ul style="list-style-type: none"> • Grade - Select a single grade or multiple grades. This is the mapped state grade level code. (CTRL-click or SHIFT-click to select multiple). • Ad Hoc Filter - Select a filter to limit results to students included in the filter.
Format	The format in which the report will generate. Options include State Format (CSV) or HTML.
Select Calendars	The calendar(s) from which data is pulled for the report.
Generate Report/ Submit to Batch	Users have the option of submitting a report request to the batch queue by clicking Submit to Batch instead of Generate Extract . This process allows larger reports to generate in the background, without disrupting the use of Campus. For more information about submitting a report to the batch queue, see the Batch Queue article.

Report Layout

Element Name	Description	Location
District Code	<p>The state district number.</p> <p><i>Alphanumeric, 20 characters</i></p>	<p>District Information > State District Number</p> <p>Database: District.number</p>
