

# Ed-Fi v3.X - Student Education Organization Association Resource Preferences

Last Modified on 10/21/2024 8:22 am CDT

Tool Search: [Ed-Fi Configuration](#)

The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

State Specific Information: [Nebraska](#)

The following describes how to set the resource preferences for the Student Education Organization Association resource. If the Configure or Edit buttons do not display, then the resource does not need to be mapped and the toggle button can be used to turn the resource on or off.

If a mapping is changed, a resync must be performed on the resource in order for the new mappings to send correctly. Any item not mapped will not report to Ed-Fi.

Mappings listed below are for Core Ed-Fi. Additional/different mappings may be available depending on your state. State specific mappings can be found by clicking the appropriate state link at the top of the page.

1. Set the Student Education Organization Association Descriptors:

<b>Eligibility Type</b>	
Meal	Indicates the record is a meal status eligibility record. This Eligibility Type is utilized by the Food Service Department and for state reporting data.
SES	Indicates the record is a socioeconomic status eligibility record. This eligibility type is utilized for students participating in Provision programs. This Eligibility Type is utilized by other departments within the district, including state reporting. This type will never message to a Point of Sale terminal.
<b>Eligibility</b>	
Free	The student is considered eligible to receive reimbursable meals at no charge.
Reduced	The student is considered eligible and must pay a reduced price for reimbursable meals.
Paid	The student is not considered eligible and must pay student price for reimbursable meals.
Non-reimbursable	This option is never assigned or populated as an eligibility for students. It is for the purpose of processing second (non-reimbursable) meals for students and used for processing an adult (non-reimbursable) meal status for adults/staff. This status is not necessary to be assigned to staff members.
<b>Source</b>	
Direct	Indicates that the student qualifies for free/reduced meals due to Direct Certification files received from a state agency certifying that the child is a member of a SNAP, FDPIR or TANF household or the student is a foster child directly certified from the state. This Certified Type is allowed only when the Eligibility Type is <b>Meal</b> . The Eligibility should be <b>Free</b> .
Non-Direct	Indicates that the student qualifies for free/reduced meals due to Non-Direct Certification files.
<b>Calculated Logic</b>	The calculated logic is determined by the different selections made in the above fields. The selections determine the choices that appear in the sections below.
<b>Ed-Fi Code</b>	Indicates the Ed-Fi Code that will be associated with the Descriptors.

**Student Characteristic Descriptors - Flags:** Indication of any flags the student has associated with an enrollment.
