ED400 Career and Technical Education (Connecticut)

Last Modified on 10/21/2024 8:20 am CDT

Section I: Career Clusters | Section IIA, Section IIB and Section III Report Layout | Career & Technical Education Clusters | College Career Pathways Clusters Only

Tool Search: ED400 Career and Technical Education

This extract reports the number of CTE students that meet specific criteria such as race, gender, EL, or migrant status.

This report includes the following four sections that are generated independently by selecting from the Assessment Type dropdown in the Extract Options:
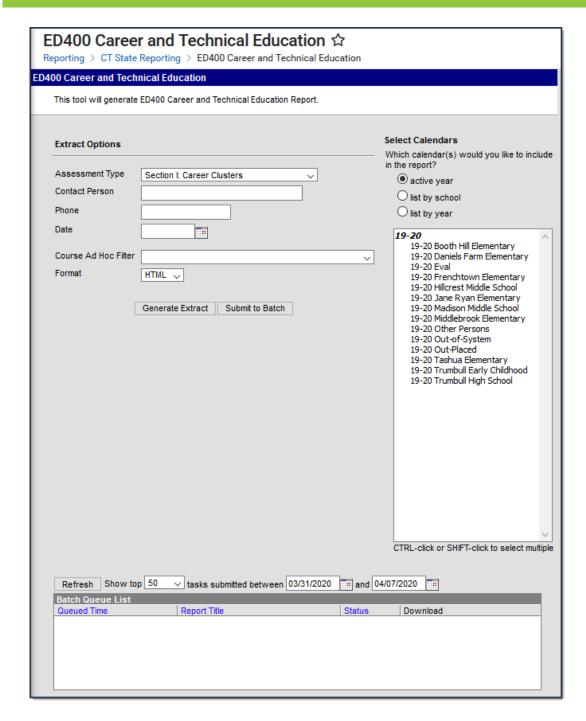

- Section I: Career Clusters
- Section IIA: Total CTE Enrollment
- Section IIB: Individual Cluster Enrollments
- Section III: Placement

*ED400 Career and Technical Education Report Editor*

Section I: Career Clusters

Section I: Career Clusters indicates which career clusters were offered during the school year.
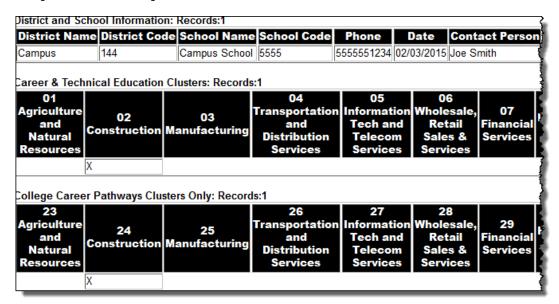

The file name is **ED400-SectionI**.

Report Layout

Element Name	Description	Type, Format and Length	Campus Database	Campus Location
District and School Information				
District Name	The name of the district.	Alphanumeric, 50 characters	District.name	School & District Settings > District > District Information > Name

Element Name	Description	Type, Format and Length	Campus Database	Campus Location
District Code	The number assigned by a state to identify a school district.	Numeric, 3 digits	District.number	School & District Settings > District > District Information > State District Number
School Name	The name of the school within the district.	Alphanumeric, 40 characters	School.name	School & District Settings > Schools > School Information > School Detail > Name
School Code	The state-assigned identification number for the school.	Numeric, 7 digits	School.number	School & District Settings > Schools > School Information > School > State School Number
Contact Person	The person who is responsible for this data.	Alphanumeric, 50 characters	N/A	N/A
Phone	The phone number of the person who is responsible for this data	Numeric, 15 digits	N/A	N/A
Cluster Codes				

Element Name	Description	Type, Format and Length	Campus Database	Campus Location
Career & Technical Education Clusters	Indicates which clusters where taught in the school calendar and year selected. Reports an "X" in the applicable Cluster category when any active course in the calendar(s) and school(s) selected has a Perkins Code that is not null. See the Career & Technical Education Clusters table.	Alphanumeric, 1 character	CourseInfo.vocationalCode	Scheduling & Courses > Courses > Course Information > Perkins Code
College Career Pathways Clusters Only	Indicates which clusters where taught in the school calendar and year selected. Reports an "X" in the applicable Cluster category when any active course in the calendar(s) and school(s) selected has a Perkins Code that is not null. See the College Career Pathways Clusters Only table.	Alphanumeric, 1 character	CourseInfo.vocationalCode	Scheduling & Courses > Courses > Course Information > Perkins Code

# Section IIA, Section IIB and Section III Report Layout

Campus uses the same report layout for the following three Assessment Types.

- Section IIA: Total CTE Enrollment
- Section IIB: Individual Cluster Enrollments
- Section III: Placement

Assessment Type	Description
Section IIA: Total CTE Enrollment	Section IIA: Total CTE Enrollment reports the number of students enrolled per grade level by gender and racial/ethnic designation. The file name is **ED400-SectionIIA**.
Section IIB: Individual Cluster Enrollments	Section IIB: Individual Cluster Enrollments reports one Section IIB for each Career Cluster that is indicated in Section I for the calendar selected on the extract editor. The file name is **ED400-SectionIIB**.
Section III: Placement	Section III: Placement reports the number of completers who graduated with a diploma. The file name is **ED400-SectionIII**.
