Select this button to create a new Academic or Graduation Program

Both types of programs can now be created and managed with the new tool, found at **Student Information > Program Administration > Academic and Graduation Programs**.

Consult the articles in the [Academic and Graduation Programs](#) category for more information.

Tool Search: Graduation Program Setup

Graduation Programs show a student's progress toward graduation based on the requirements entered for the program.

Users can view Graduation Programs at the district level (programs used throughout all applicable schools in the district) by marking the **Show District Programs** checkbox. To view programs available at just the selected school (based on the selection in the Campus toolbar), leave the **Show District Programs** checkbox unselected.
