Print Your Counseling Calendar

Last Modified on 07/30/2026 11:40 am CDT

Tool Search: Counseling, Meetings

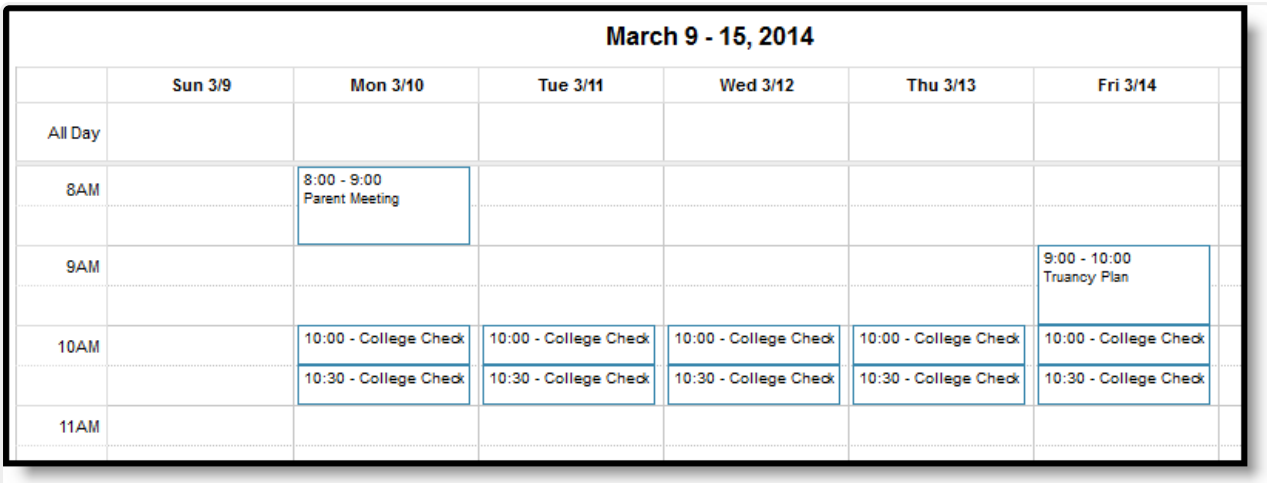

To print your calendar, select the **Print Calendar** button at the top of the screen, then indicate time frame you'd like to print by selecting **Start** and **End Times**.

Print Calendar Options

Click **OK** to view the calendar in a format suitable for printing. A browser print window also opens. Campus recommends printing your month or week calendar in landscape view.

All view and filtering options currently selected are applied to the printed calendar.
