Click the **Preview** button to generate the BOR Transcript in PDF format in another browser window. A school and calendar must be selected in the Campus Toolbar in order for data to appear on the transcript.

Header

The transcript header includes information about the school and the student, including identification numbers and telephone and address information. The student's name reports from the Protected Identity Information section on the student's Identities record, when populated.

The **Enrollment History** section lists all of the student's enrollments at that school. Transcript

Statistics provide GPA, Class Rank, and Percentile calculated in various ways. The header also lists demographic information about the student and diploma information if the student has graduated.
