

## **Enter a Web Site Address**

Last Modified on 10/21/2024 8:20 am CDT

## Location: Grade Book > expand Settings menu > Web Site Address

Teachers have the option of communicating a web site for their course through Campus Student.

Settings Grade Book Setup	Save         S1 ↔ S2 ↔ S3 ↔ Seq: 1.00         S2 ↔ S3 ↔ Seq: 1.00           0::::::::::::::::::::::::::::::::::::
Assignment Marks Category Copier Assignment List	Students     Students     Formative     Formative       10     Student, Andrew     Image: Student state stat
Grading Scales Web Site Address	Site Address the web address of this section (appears on the Portal to students and parents). www.TeachersonAPCalculus.com
Preferences Display Sparkline Graph Pass/Fail Coloring for Grades Pass/Fail Coloring for Scores	Save Close

Tool rights to the Grade Book grant access to this tool.

From Campus Student, students can access this web address from the Course Info, which displays when they click the name of the course in their Schedule, the Today view, or anywhere else in Campus Student.
