Tool Search: Early Learning

The Early Learning tab lists student information related to programs designed to improve the health, social-emotional and cognitive outcomes for all students from birth through third grade, using the federal guidelines. The Early Learning tool is also available in State Edition sites.

See the core [Early Learning](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Early Learning records.

The screenshot shows the 'Early Learning' tab in the Infinite Campus system. At the top, there's a header with a user profile icon, the title 'Early Learning ☆', and navigation links: 'Student Information > Program Participation > Early Learning'. Below the header, there's a search bar with fields for 'Student #', 'Grade', and 'DOB'. A 'Related Tools' button is on the right. The main area contains a table with columns: 'Location', 'Setting', 'Start Date', 'End Date', and 'Created By'. Below the table, there's a 'New' button and a 'Print Summary Report' button. The 'Early Learning Detail' section is expanded, showing various fields for data entry:

If a student was enrolled in the Active Year with a value selected for EC Program (3-5) or a Prior Participation checkbox marked for OK Licensed Childcare Program, The Sooner Start Program, The

Oklahoma Parents as Teachers, The Children First Program, Any Child Abuse Prevention Program, and Federal Head Start Program, an Early Learning record was created with a Start Date that matches the enrollment and an End Date of the enrollment End Date if before the calendar End Date or null if enrollment End Date = calendar End Date. Existing Early Learning fields selected on the Enrollments tab are converted as follows:

- EC Program (3-5) selection converted to Early Childhood Program.
 - Prior Participation selection converted to Prior Participation.
