## Early Learning Detail Editor

Tool Search: Early Learning

The Early Learning tab lists student information related to programs designed to improve the health, social-emotional and cognitive outcomes for all students from birth through third grade, using the federal guidelines. The Early Learning tool is also available in State Edition sites.

See the core [Early Learning](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Early Learning records.

The screenshot displays the 'Early Learning Detail Editor' interface. At the top, there's a student profile section with a 'Student #' field, 'Grade' dropdown, and 'DOB' field. Below this is a toolbar with 'New', 'Save', 'Delete', and 'Print Summary Report' buttons. A table with columns 'Location', 'Start Date', 'End Date', and 'Created By' is visible. The main area is the 'Early Learning Detail' form, which includes fields for 'Start Date', 'End Date', 'Program Status', 'Location', 'Eligibility Category', 'Federal Funding Type', 'Services Received', 'Household Information' (Number of People in Family, Gross Family Income Per Year), 'Prior Participation', 'Early Childhood Program', 'Exit Reason', and a 'Comments' field.
