The Home School Report collects course data on students whose Enrollment Status is set to '4: Home School' and attend classes at a public school.

Home School Report Editor

Report Logic

- All students who have their Enrollment Status on the State Reporting Enrollment Editor marked as 4: Home School report.
- The student must be enrolled any time between the start and end date entered on the report editor.
- Students are not included when their enrollment record, grade level of enrollment, calendar of enrollment, or course is marked as State Exclude, or if their enrollment record is marked as No Show.

Report Editor

Data Element	Description
Extract Type	Indicates the type of extract selected. Select Home School Report from the list of options.
Start Date	Beginning date of the student enrollment records. Dates are entered in <i>mmddyy</i> format or can be selected by using the calendar icon.
End Date	End date of the student enrollment records. Dates are entered in the <i>mmddyy</i> format or can be selected by using the calendar icon.
Ad Hoc Filter	Selection of previously made filter that contains specific students to include in the label request.
Report Format	Determines how the request is generated - in the State Format (CSV) or HTML. Use the HTML format when reviewing data. Use the State Format when submitting the list to the state.
Select Calendars	At least one calendar must be selected in order for the extract to generate. Calendars are selected by the active year, by the school, or by the year.

Generate the Report

1. Select the **Home School Report** from the **Extract Type** dropdown list.
2. Enter the **Start Date** and **End Date** of the enrollment records to include.
3. Select an **Ad Hoc Filter** from the dropdown list to reduce the amount of students included in the extract.
4. Select the **Report Format**.
5. Select the **Calendars** from which to pull students in the report.
6. Click the **Generate Extract** button. The report will display in the selected format.
