The Health Immunization Compliance Summary Report for Colorado provides a summary of immunization compliance broken out by grade, compliance status, and exemptions with totals for all vaccines selected and each individual vaccine with rules.

Colorado Immunization Summary Report Editor

Report Logic

- Percentages for each cell are only calculated when **Compliance Percentages included** is marked.
- Each student can only be counted in a single column.
- Calendars marked as Exclude are not listed on the editor. Excluded calendars are not reported.

Report Editor

The following table describes the fields available on the CO Immunization Summary editor:

Field	Description
Grade	The grade level of students included on the report.
Ad Hoc Filter	An optional ad hoc filter can be selected from the dropdown to further narrow results on the report.
All school compliance totals	Indicates that all school compliance totals are included on the report.
McKinney-Vento totals	Indicates that the McKinney-Vento column is included on the report.
Summary Totals	Indicates that the student summary totals is included on the report.
