See the core [Assessment Center](#) articles for additional information on managing tests.

The screenshot shows the 'Assessment Center' interface with a breadcrumb trail: Student Information > Assessment Administration > Assessment Center. The 'Test Detail' tab is active, showing a progress bar with five steps: 1. Test Detail, 2. Data File Detail, 3. Map Data, 4. Test Mapping, and 5. Import Data. The form includes an 'Instructions' section and a 'Test Information' section. The 'Test Information' section contains fields for Name (Required), Parent, Code, Subject, Years, Test Grade Level, Start Date, End Date, Assessment Type, Standards Type, Academic Achievement Standard, and Scoring Model Code. A callout box points to the 'Subject' dropdown menu, stating: 'Populate the Subject dropdown list for all District Test and National Tests that are not state reported by going to System Settings > Core/Attribute Dictionary > Test'. The form has buttons for Save, Cancel, Delete, Copy, and Save & Next.
