Tool Search: English Learners (EL) **Services**

The EL Services tab is used to keep track of services a student receives while participating in an EL program. Students may participate in several programs with varying start and end dates.

This tool is read-only for State Edition users.

The screenshot displays the 'English Learners (EL) Services' tool interface. At the top, there is a search bar and navigation links. Below the title, there are action buttons for 'New', 'Save', 'Delete', and 'Documents'. A table lists the services, with one entry: 'LEPPI: LEP Placement' starting on '09/01/2019'. Below the table is a detailed form for editing the service, including fields for 'Start Date' (09/01/2019), 'End Date', 'Service Type' (LEPPI: LEP Placement), 'Parent Refused Services' (unchecked), 'Location' (100: Arthur Elementary), and a 'Comments' field. A footer note indicates the record was modified by an administrator on 01/09/2020 at 12:17 PM.
