Tool Search: English Learners (EL) **Accommodations**

The EL Accommodations tab is used to track and manage EL accommodations provided to a student through a school year and throughout a student's school career.

This tool is read-only for State Edition users.

Below the header, the title 'English Learners (EL) Accommodations' is displayed with a star icon. A breadcrumb trail shows 'Student > General > English Learners (EL) Accommodations'. A toolbar contains icons for 'New', 'Save', 'Delete', and 'Documents'. The main content area features a table titled 'EL Accommodations' with columns for Name, Type, Start Date, and End Date. The table contains one entry: 'IPR: Interpreter' with Type 'A' and Start Date '09/01/2018'. Below the table is a detailed form for 'EL Accommodations Detail'. This form includes fields for 'Start Date' (09/01/2018), 'End Date' (empty), and 'Accommodation Type' (IPR: Interpreter (A)). There is also a 'Comments' text area. At the bottom right of the form, it says '-Modified by: Administrator, System 01/09/2020 12:44 PM'. The entire interface is framed by a light green border.
