

# Programs (Academic Planning)

Last Modified on 10/21/2024 8:20 am CDT

The Programs tab lists the Graduation Program and Academic Programs (if available in your state) for the selected student. Graduation Programs are created in the [Graduation Programs](#) option in the [Program Admin](#) module. Academic Programs are created in the [Academic Programs](#) option in the Program Admin module. Once the Program is assigned to the student, [Progress](#) and [Course Plan](#) information needs to be entered.

The following programs can be assigned to students:

- [Graduation Programs](#)
- [Academic Programs \(Formerly CTE\)](#)
