## Records Converted from Enrollments

When this tab was released for Iowa with Campus.1933, existing Early Learning fields were converted. Expand below to view conversion logic.

► [Click here to expand...](#)

If the student was enrolled in the Active Year with a grade mapped to a State Grade Level of PK, an Early Learning record was created with a Start Date that matches the enrollment and an End Date of the enrollment End Date if before the calendar End Date or null if enrollment End Date = calendar End Date. Existing Early Learning fields selected on the Enrollments tab are converted as follows:

- Preschool Program 1 Type and 2 Type converted with associated Hours and Session fields.
- All PK Funded fields converted to selections in the Federal Funding Type field on the tab.
