The KRA and ELA Extracts report a record for each kindergarten or preschool student with a primary enrollment on the MSDE Transfer Exemption Date and still enrolled on the Effective date of report generation. If a student is enrolled after the MSDE Transfer Exemption Date, enrollment start status must not equal state enrollment entry codes of E14-E18, E24, R01, R08, R09, R14-R18, or R24 for reporting.

Report Logic

- Students are NOT included if their
  - Enrollment record is marked as State Exclude;
  - Enrollment record is marked as No Show;
  - Grade Level of enrollment is marked as State Exclude;
  - Calendar of enrollment is marked as State Exclude;
  - Local student number or state student ID is blank;
  - Enrollment start date is after the MSDE Transfer Exemption Date and Enrollment > Start Status = E14-E18, E24, R01, R08, R09. R14-R18 and R24; or
  - they were enrolled on the MSDE Transfer Effective Date and are NOT enrolled on the Effective Date.
- Teachers or principals whose local staff ID is blank do not report.
- Teachers only report a record for a school if they are assigned to a Course/Section with at least one student who meets the grade criteria.
- A teacher record still reports when the teacher is assigned to a course with students who do not have state IDs.
- **KRA Only**

All kindergarten students, state grade level = 91, enrolled on the report's Effective Date with a primary enrollment (enrollment service type = P: Primary) report.

- **ELA Only**
  All preschool students, state grade levels 92,93, or 94, enrolled on the report's Effective Date with a primary enrollment (enrollment service type = P: Primary) report.
- There are two reporting populations:

Population	Description
Students who are enrolled **on** the MSDE Transfer Exemption Date through the Effective Date	These students never left the school between these dates. These students report no matter what their enrollment start status is. Reports all students with an Enrollment Start Date that is less than or equal to the report's **MSDE Transfer Exemption Date** and less than or equal to the report's **Effective Date**. The student's enrollment End Date must be greater than or equal to the **Effective Date** or blank/null. The student's Enrollment Start Status's Standard Code can be null or any value.
Students who are enrolled **after** the MSDE Transfer Exemption Date and are enrolled on or after the Effective Date	These students report when their Enrollment Start Status Standard Code does NOT equal E14-E18, E24, R01, R08, R09. R14-R18 and R24. Reports all students with an Enrollment Start Date that is greater than the report's **MSDE Transfer Exemption Date** and greater than or equal to the report's **Effective Date**. The student's enrollment End Date must be greater than or equal to the **Effective Date** or blank/null.

Field	Description
Report Type	The following subgroups are available. **Student Data**. This data is used to populate the system with Kindergarten students in the district. **Enrollment Data**. This data is used to match teachers to students in the system. **Teacher Data**. This data is used to create and update user accounts for teachers and principals in the system. **Local Administrator Data**. Reports the principal of the school.
Version	**KRA** reports kindergarten students. **ELA** reports preschool students.

Field	Description
Data Collection Token	**This field displays for the Enrollment Data report type only.** The value you enter here reports in the Data Collection Token element in the Enrollment Data Report.
Format	The format in which the report generates. Options include HTML and CSV.
MSDE Transfer Exemption Date	This field is used to enforce the guidelines for the administration of the assessment with students who transfer into the District: • If a student transfers from another Maryland public school and enrolls in the second school after September 30th, the new teacher should complete what remains of the assessment. • If a student is new to Maryland or attended a private school and enrolls in kindergarten after September 30th, that student is exempted and will not be assessed. All of the items will be left as "Needs to be Administered" and the information is not included in the KRA data collection.
Effective Date	The date on which the report is effective.
Exclude Cross-Site Data	Cross-site section enrollment data is **not** included in the report when checked. • Cross-site enrollment functionality must be enabled at the district level for the checkbox to display. • Defaults to checked.
Ad Hoc Filter	Users can select an Ad Hoc Filter to further narrow report results.
Select Calendars	The calendar(s) from which data is pulled for the report.
Generate Report Submit to Batch	Users can submit the report request to the batch queue by clicking Submit to Batch instead of Generate Extract. This process allows larger reports to be generated in the background without disrupting Campus. For more information about submitting a report to the batch queue, see the Batch Queue article.
