- Sticky - sticky messages are at the top, followed by other messages sorted by date.
- Date (newest) - messages sorted with most recent at the top.
- Date (oldest) - messages sorted with earliest at the top.

Filter the messages in your inbox by clicking the All Items, Process Alerts or Notices buttons at the top.

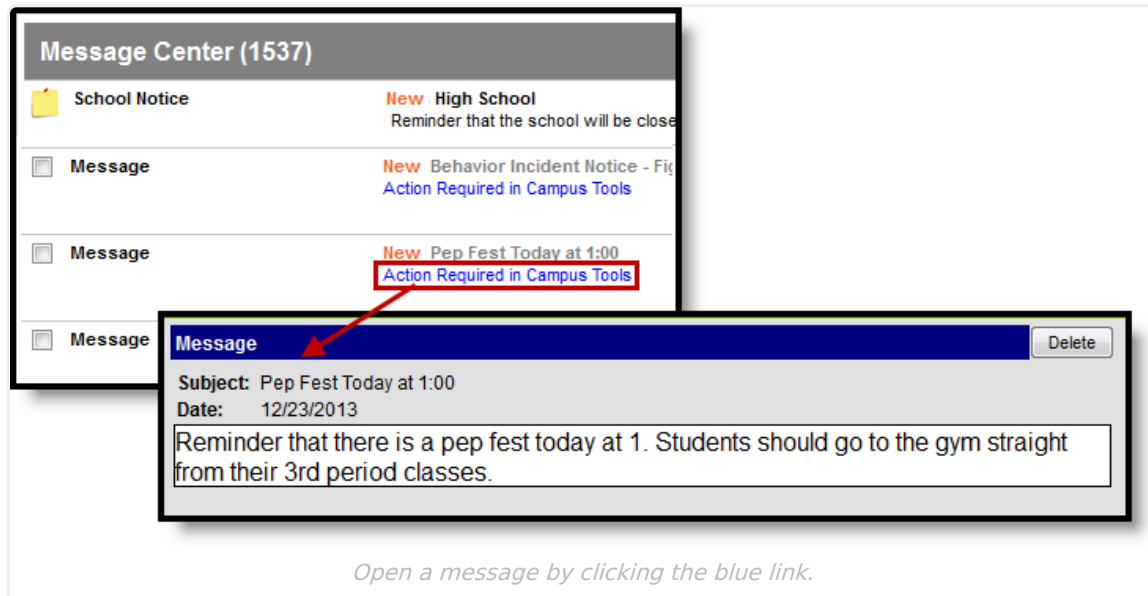

New Messages

New messages have an orange **New** indicator that disappears when you read the message.

The orange number icon indicates how many messages you have. In the example above, the teacher has **1** new Announcement.

Messages with the yellow post-it icon are designated as "sticky," which means they appear at the top of your inbox and you can't delete them. These messages are given an end date when they're created, at which point they disappear from your inbox.

To view a message, click on the blue link. The message opens in the Campus Tools.

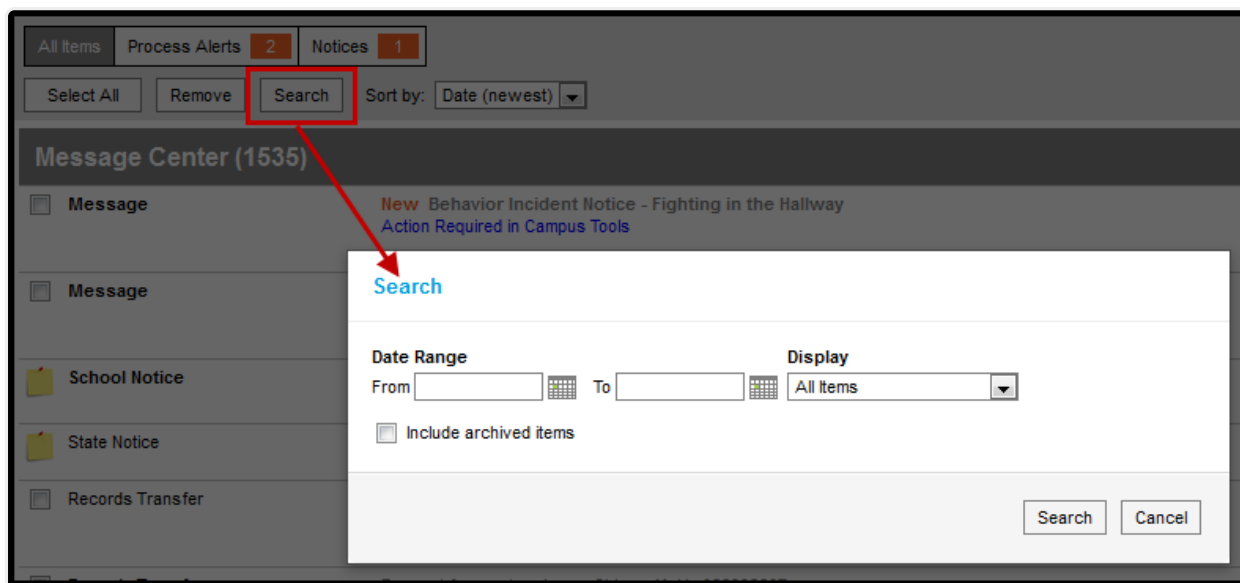

Use the app switcher to return to Campus Instruction.
