Report Logic

The Medicaid Eligibility Report prints the student's eligibility of receiving Medicaid funding based on the entered Date.

Report Editor

The following fields are available on the Medicaid Eligibility Report.

Field	Description
Date <i>Required</i>	Entered date is used to report the student's eligibility AS OF that date. The field auto-populates with the current date, but it can be changed by typing a new date in <i>mmdyy</i> format or using the calendar icon to select a date.
Student Selection	Students listed are those who have Medicaid services. At least one of the students needs to be selected, or All students can be selected, or use the Ad hoc filter to select students. The students in the filter need to meet Medicaid requirements and have Medicaid services in order for the report to generate with data.
Sort Options	The report can be sorted in the following ways: <ul style="list-style-type: none"> • School Year/Name • Student Name • Insurance Name • Verification Date
Calendar Selection	Students receiving Medicaid services in the selected calendar are included. At least one calendar needs to be selected. Calendars are listed by Active Year, by School Name or by Year.
Insurance Selection	All Insurances that are listed in the Medicaid Insurance list are available for selection. At least one option needs to be selected or All Insurances can be selected.
