Test Accommodations Report

## Report Logic

The report looks for locked IEPs that include a record in the State Assessments Editor. Data that exists for any student is returned if an active plan type is used.

## Report Editor

The following fields are available for entry:

Field	Description
<b>Start Date</b>	First date used to report accommodation information. This is a required entry. Dates are entered in <i>mmddyy</i> format or can be chosen by selecting dates from the calendar icon.
<b>End Date</b>	Last date used to report accommodation information. This is a required entry. Dates are entered in <i>mmddyy</i> format or can be chosen by selecting dates from the calendar icon.
<b>Students</b>	Lists those who have a locked plan within the school year selected in the Campus toolbar. This list includes the student's name, student number and grade level.
<b>Sort By</b>	The report can be printed alphabetically by <b>Student Name</b> , <b>Case Manager Name</b> or numerically by <b>Grade</b> level (lowest grade level prints first).
<b>Print in HTML Format</b>	When marked, the report prints in <b>HTML</b> format, instead of the standard <b>PDF</b> format.

## Generate the Test Accommodations Report

1. Enter the **Date Range** for the report.
2. Select which **Students** to include in the report.
3. Select the desired **Sort By** option.
4. If the report should print in HTML format, mark the **Print in HTML Format** checkbox.
5. Click the **Generate Report** button. The report displays in a new browser window in the selected format in Student Name order.
