Location: Click the User icon > Instruction Settings

These preferences apply to your entire account.

Preference	Description
Default Application	The application that loads automatically when you sign in to Campus, either Campus Instruction or Campus Tools.
Student Display	
Show Active Students Only	Mark this preference to prevent dropped students from displaying outside the Roster. If not marked, dropped students display in red text.
Show Student Number	Mark this preference to view students' numbers following student names.
Show Student Pronouns	Mark this preference to display students' pronouns next to their name in the Roster, Seating Chart, Attendance, Positive Attendance, and the student demographics information that displays when you click a student's name.
Show Student Picture	Mark this preference to view student pictures throughout Campus Instruction.
Use Canned Comments	Mark this preference to add a **C**anned **C**omments link in the Grade Book, which are added via the Report Card Comments column in the Posted Grades section of the Grade Totals, and the Post Grades tool. Canned comments are created in Grading Comments.
Attendance	

Preference	Description
Use Seating Chart Attendance	Mark this preference to set the default seating chart as the default view when taking attendance, rather than a roster list.
Show All Present Confirmation	If this option is enabled, a confirmation message displays if all students are present when the user saves attendance.
Pass/Fail Coloring	Used in the Grade Book, Planner, and Progress Monitor. With the release of Campus.1945, these Pass/Fail Coloring settings apply to all of your sections.
Show Pass/Fail Coloring for Grades	Mark this preference to turn on color coding for students' In Progress Grades and Proficiency Estimates, with passing grades indicated in green and failing grades in red. Grades are considered passing based on the Grading Scales or Rubrics selected in the Grade Calculation Options.
Show Pass/Fail Coloring for Scores	Mark this preference to turn on color coding for student's scores on individual assignments, with passing grades indicated in green and failing grades in red. Grades are considered passing based on the Grading Scales or Rubrics selected in the Grade Calculation Options, unless there are Assignment Marks aligned to a specific assignment.
Mute Pass/Fail Coloring	Mark this preference to use lighter shades to color code student grades and scores. Some users find the muted colors less intrusive, but color-blind users may find these shades more difficult to distinguish. Muted Colors:  Bright Colors:
