MOSIS Extracts

This tool will extract data to complete several types of the MOSIS Phase III reporting collections. Choose the State Format to get the file in the state defined comma separated file format, otherwise choose one of the testing/debugging formats. Please be aware of the date range selection, it is recommended to report from the first calendar day to the current day.

Report Logic

One record per state event code (see the table below) associated with the resolution reports.

When there are multiple resolutions associated to the state event, only the most serious state resolution reports. This is reported in the Discipline Removal column.

All enrollments for a student in the selected calendar are reviewed when reporting discipline incident data. If the qualifying discipline incident occurred within dates defined on the extract editor in the selected calendar, a record reports.

State Event Codes

Code	Description
A	Alcohol
D	Drugs
T	Tobacco
V	Violent Act with Injury
N	Violent Act without Injury
W	Weapon
O	Other

State Resolution Codes

Code	Description
EXP	Expulsion
OSS	Out of School Suspension
ISS	In School Suspension
UR	Unilateral Removal
