Available CTE Fields

School | CIP Code | Post Secondary Institution | Single Parent | Program Status | Type of College Credit | College Credits Earned | TSA Test Developer | TSA Result | Tech Skills Assessment | Student Learning Environment | Type of Work Based Learning

The following fields are available on the CTE tool. Ad hoc fields are available when creating a Student Data Filter Type in the Filter Designer (**Student > NJ CTE > NJ CTE**).

School

Indicates the school where the student is enrolled in a CTE program. This is not necessarily the school of enrollment for the student. This is a required field.

▶ [Click here to expand...](#)

CIP Code

The approved 6-digit Classification of Instructional Program code for a Career and Technical Education student. This is a required field.

▶ [Click here to expand...](#)

Post Secondary Institution

The post-secondary institution where the most academic credits were earned as part of the CTE Program.

▶ [Click here to expand...](#)

Single Parent

Indicates whether the student is either a single parent or a single pregnant woman. This field is a mandatory response for all students enrolled in a CTE Program.

When marked, indicates the student is a single parent or a single pregnant woman. If not marked, indicates the student is NOT a single parent or a single pregnant woman.

▶ [Click here to expand...](#)

Program Status

Indicates the progress made by the student enrolled in the approved CTE program. Options are:

- **Participation** - student completed at least one course in any state-approved career and technical education program with a sequence of three or more courses.
- **Concentrator** - student completed two or more courses among a sequence with three or more courses, or a student at a count vocational school who completed one course in a sequence of two courses, within a state-approved CTE program.
- **Completer** - student completed a whole sequence of courses of a state-approved CTE program.

▶ [Click here to expand...](#)

Type of College Credit

Indicates whether the student earned college credits as dual/concurrent credit or articulated credit within a sequence of courses in a CTE Program or CTE Program of Study.

▶ [Click here to expand...](#)

College Credits Earned

Reports the total number of college credits earned during an approved CTE program. Enter a value 01-99.

▶ [Click here to expand...](#)

TSA Test Developer

The type of the end of program technical skills assessment. Options are:

- 1 - Licensure Exam
- 2 - Industry Credential Exam
- 3 - National Validated Test
- 4 - Teacher Developed Test

▶ [Click here to expand...](#)

TSA Result

Indicates the result of the technical skills assessment. Options are:

- 1 - Pass
- 2 - Fail
- 3 - IEP Exempt
- 4 - Not tested

▶ [Click here to expand...](#)

Tech Skills Assessment

Name of the end of program assessment given to the student to determine the technical skills achieved.

▶ [Click here to expand...](#)

Student Learning Environment

Indicates the chosen method for delivering instruction to the student:

- 1 - Full Time on Premises

- 2 - Hybrid
- 3 - Full Time Remote - District Choice
- 4 - Full Time Remote - Parental or Guardian Choice

▶ [Click here to expand...](#)

Type of Work Based Learning

The highest level of Work-based Learning experience a CTE student participated in for the academic year:

- 1 - Career Exploration
- 2 - Career Preparation
- 3 - Career Training
