

Shared Services (Texas)

Last Modified on 03/11/2024 8:45 am CDT

Tool Search: Shared Services

The Shared Services tool records shared service agreements (SSA) between two or more school districts, open enrollment charter schools, and/or ESCs. The SSA provides services for all of the entities involved.

Follow state guidelines for implementing and managing SSAs.

Shared Services Fields

Fiscal Agent District ID

The district number with which the shared services arrangement exists.

[Click here to expand...](#)

Shared Services Arrangement

Indicates the type(s) of shared services the district provides.
