The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

The following describes how to enable the Assessments resource for Ed-Fi reporting.

1. Toggle the Assessments preference to **ON**.

The screenshot displays the 'Student Information' configuration page. At the top, there is a header with 'Student Information' and a toggle switch set to 'OFF'. Below this, a list of configuration items is shown, each with a toggle switch and an 'Edit' button. The 'Assessments' item is highlighted with a red rectangular box, and its toggle switch is set to 'ON'. Other items include 'Students', 'Graduation Plans', 'Programs', 'Student Assessments', 'Student Education Organization Associations', 'Student Program Associations', 'Student School Associations', 'Student Special Education Program Associations', and 'Student Title I TAS Program Associations', all of which have their toggle switches set to 'ON'.
