The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

The following describes how to enable the Calendars resource for Ed-Fi reporting.

1. Set the Calendars preference to **ON**.

The screenshot shows a list of resource preferences in the 'Schedule Information' section. The 'Calendars' preference is highlighted with a red box and has its toggle switch set to 'ON'. All other preferences listed are also set to 'ON'. The preferences include: Calendars, Calendar Date Events, Calendar Dates, Class Periods, Course Offerings, Locations, Sections, Sessions, Staff Section Associations, and Student Section Associations. Each preference has an 'Edit' button to its right.
