The Ed-Fi Configuration tool is used to establish Ed-Fi data resources.

The following describes how to enable the Class Periods resource for Ed-Fi reporting.

1. Set the Class Periods preference to **ON**.

The screenshot shows the 'Resource Preferences' page in the Ed-Fi Configuration tool. The left sidebar shows a navigation tree with 'Ed-Fi Configuration' selected. The main table lists various resources with their status as 'Active'. The 'Class Periods' row is highlighted with a red box, and its status is set to 'ON' (blue button).
