This tool is available as part of the [Campus Learning](#) premium offering.

## Tool Search: Standards Portfolio

The Standards Portfolio displays all grades received for standards across the student's school career tracking student progress towards proficiency on standards over time. Users must have appropriate tool rights to view data from previous calendars.

The screenshot shows the 'Standards Portfolio' interface. At the top, there is a search bar and the Infinite Campus logo. Below the title, there are navigation links: 'Student Information > General > Standards Portfolio'. The main section is titled 'Standards Portfolio' and includes a 'Filters' dropdown set to 'None', with 'Save', 'Save As', and 'Delete' buttons. There are also 'Clear Filters' and 'Export to Excel'/'Export to PDF' buttons. The interface is filtered by 'Year: 17-18', 'Course: 3100 English 9', and 'Pass/Fail: All Grades'. A table displays the following data:

Standard	Grade	Grade Level	Year	Course
Year: 17-18

Update Cancel

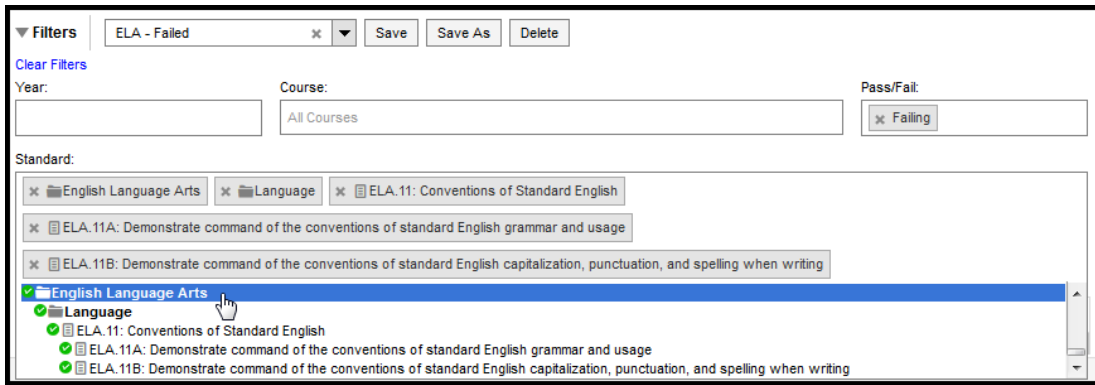

The primary right grants access to the tool and the *Assignment Data* sub right allows the user to view details for assignments.

Users with rights to the Standards tab have access to previous years' data by default, without requiring calendar rights to previous years. The Years filter displays any years in which the student was rostered into a course that had standards aligned to it.

## Filters

Filter data by **Year**, by **Course**, by whether the student received a **Passing** or **Failing** score, or by **Standard**. These filters are specific to the student. For example, only courses the student has taken are listed.

a filter and enter a Name to return to it later. Filters saved on the Standards tab are also available to teachers in the [Progress Monitor](#), so filter names should be unique and descriptive. For example, this image shows a saved filter that shows instances where the student received a failing grade on English Language Arts standards:

Save useful filters or access those saved by administrators.

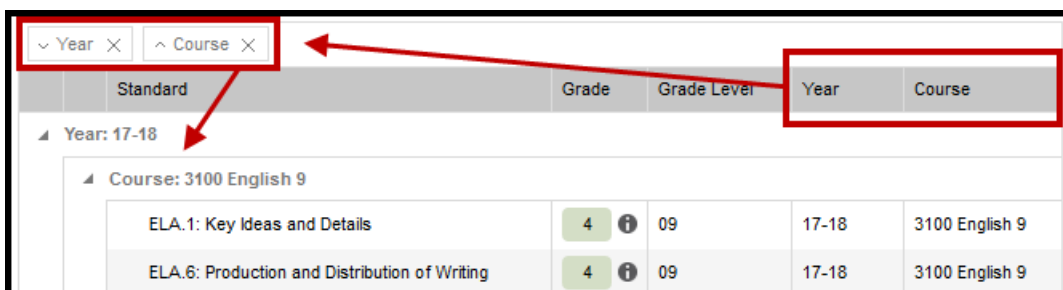

## Data Analysis Options

Users have the option of exporting data on this tab (as currently filtered) to an Excel file or a PDF.

## Standards & Grades

Standards are listed based on the filter options selected. The **Grade** displayed is the posted grade the student received for the standard, with an info button to view the rubric used. The grade level, year, and course are also shown.

Click on a header to sort results or click and drag a header above the table to group results.

Click and drag column headers to group the standards list.

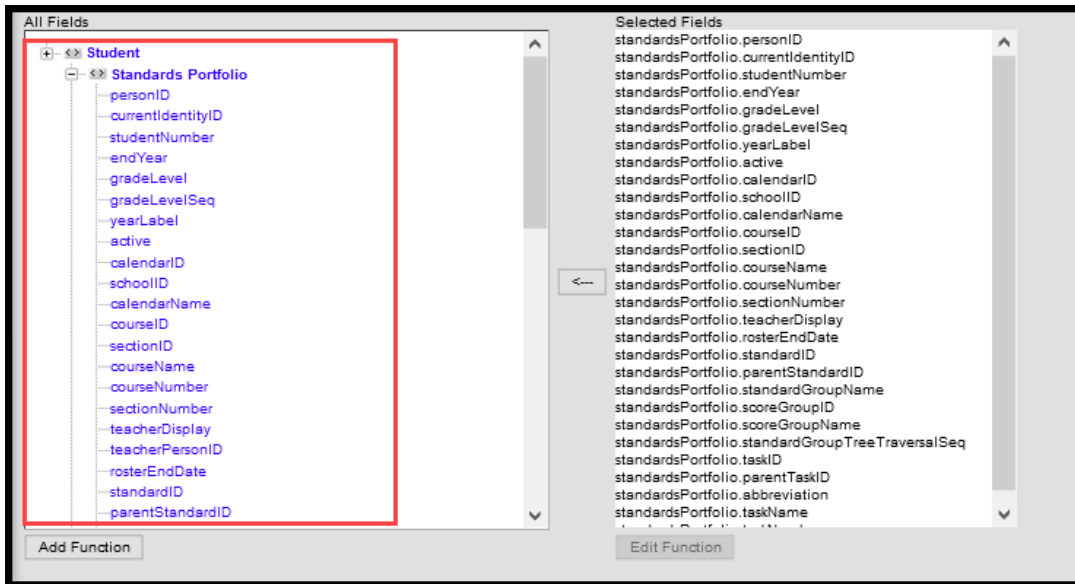

## Assignment Scores & Grades

Click on a standard to view assignment scores that contributed to the grade. In the graph that displays, assignment scores are indicated by and posted term grades by . Hover over an assignment view to the name of the assignment, score, and due date. Hover over a term grade to view the term, course, posted date, and teacher.

Assignments are listed below the graph. To display, an assignment must have a grading alignment to the standard. Click an assignment name to view read-only details for the assignment. Click the timestamp in the submissions column to view work submitted by the student.
