Tool Search: Enrollments

The Enrollments tool displays all occurrences of a student's enrollment in the district. Because this is a historical view, this list could be long.

Enrollments are first listed by grade level first, then by enrollment start date. To reorder the list of enrollments, click the blue hyper-linked headers in the Enrollments Editor list. Enrollment records can be sorted by Grade, Calendar, Start Date or End Date.

See the core [Enrollments](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Enrollment records.

The screenshot shows the 'Enrollments' tool interface for a student named Caleb. The top navigation bar includes 'Student Information', 'General', and 'Enrollments'. Below this, there's a header with student details: Student #: 123456, Grade: 10, DOB: 08/22/2008, Counselor: Louis Staff. A 'Related Tools' dropdown is also present.

The main section is titled 'Enrollment Editor' and contains a table with columns: Grade, Type, Calendar, Start Date, and End Date. The table lists several enrollment records, with the current record highlighted in blue.

Grade	Type	Calendar	Start Date	End Date
11	P	25-26 High School	07/01/2025	
10	P	AHS 24-25	07/01/2024

09	P	AHS 23-24	07/05/2023	05/24/2024

Below the table is the 'General Enrollment Information' section. It includes fields for Enrollment ID (543852), Calendar (AHS 24-25), Schedule (read only), Grade (10), Class Rank Exclude, External LMS Exclude, Start Date (07/01/2024), End Date, Local Start Status (02: Continuous in same school with no interruption), Local End Status, State Start Status (02: Continuous in same school with no interruption), State End Status, Start Comments, End Comments, and CRDC School of Accountability.
