[General Enrollment Information](#) | [State Reporting Fields](#) | [Assessment Reporting Fields](#)

This article highlights the Enrollment fields that are specific to the state of **New Jersey**. See the core [Enrollments](#) article for general enrollment information including necessary tool rights, available Ad hoc fields, and guidance on adding and printing Enrollment records.

The Enrollment tool displays all occurrences of a student’s enrollment in the district. Enrollments are first sorted by grade level, then by the enrollment start date. To reorder the list of enrollments, click the headers in the Enrollments Editor list. The list of enrollments can be sorted by Grade, Calendar, Start Date, or End Date.
