# Report Logic

- Reports all students that meet **both** of the following:
  - Enrolled in state grade 09-12 (any enrollment type) at any time from the extract editor start date through the extract editor end date.
  - .Enrolled in a CTE program from the extract editor start date to the extract editor end date.
    - Program Admin > Academic Programs > Program Type = CTE
- **Enrollment File**
  - Reports one record per student, per CTE active program within extract editor start and end dates.
  - Reports one record per unique course/CIP code combination.
- **Outcome File**
  - Students only report one time.
  - If a student has more than one CTE program, the most recent CTE Program information reports.
  - If the student has more than one CTE program with the same start and end dates, the program with the highest ID reports.
