The **Test Accommodations Report** lists special accommodations and modifications provided for Special Education students, such as more time or more breaks, to complete tests.

See the core [Test Accommodations Report](#) article for additional information.

The screenshot shows the 'Test Accommodations Report (MN)' interface. At the top, there is a breadcrumb trail: 'Student Information > Reports > Test Accommodations Report (MN)'. Below this is a title bar 'Test Accommodations Report' and a description: 'The Test Accommodations Report lists special accommodations and modifications for Special Ed student, such as more time, or more breaks.' The main form area contains two sections. The first section is 'Plan's Date Range (Required fields)' with two date pickers: '\*Start Date:' and '\*End Date: 07/09/2025'. The second section is 'Which students would you like to include in the report? (CTRL-click or SHIFT-click to select multiple)' with a text input field labeled 'Student Name#Student Number-Grade' and a list box containing 'All students'. At the bottom right of the form is a 'Generate Report' button.
